

KLORAK

TECHNICAL DATA SHEET

KLORAK BLEACH

Klorak Bleach is used for bleaching of white laundry, removal of stain and general household cleaning. You can use also Klorak Hand and Matic easily in your cotton and linen clothes.

Instructions For Use:

Hand Wash: Add 85 ml (about a tea cup) Klorak Hand and Matic to 15 L water. Wring white laundry 30 minutes. Do not add detergent. Rinse your laundry in cold water. Replace the water. Continue washing with detergent.

On Automatic Machines: Please place your white laundry on your machine. Select a pre-wash program. (Put the detergent in the main wash compartment. Do not put it in the same well with Klorak Hand and Matic.) Add 170 ml (about 2 cups of tea) of Klorak Hand and Matic to the prewash side when the machine is running and receiving water. (For best results, add Klorak Hand and Matic to your machine when completing your water intake.)

Usage Areas: It can be used on washable surfaces and toilets such as tiles, marley, ceramic, bathtub, sink, kitchen counter.

To The Consumer's Attention: Be sure to read the special instructions before use.

Keep out of reach of children.

Do not use for cleaning hands, face, body and food.

Keep away from foodstuffs.

Avoid contact of hands with bleach in order to protect skin.

Rinse with plenty of water after washing your laundry.

Causes severe skin burns and eye damage.

In contact with skin (or hair): Take off immediately all contaminated clothing. Rinse your skin with water / shower.

In case of contact with eyes: Rinse with water for several minutes. Remove contact lenses if they are wearred or easy to remove. Continue rinsing. Wear protective gloves / protective clothing / eye protection / face protection.

Caution: Do not use with other products. Hazardous gases (chlorine) may be released. Store away from other materials. Very toxic in aquatic environment. Avoid release to the environment. Dispose of the contents / container.

When swallowed: Rinse mouth. Don't try to throw up.

In case of poisoning call National Poison Advice Center 114 or Emergency Health Services 112.
